

# 50 Plus INDOOR MODEL FLYING

~ COME FLY WITH US ~

The Recreation and Community Services department has cleared you for take-off. Come out to Port Weller Community Centre, as we instruct participants in the operation of radio-controlled micro planes, helicopters, and other flying objects. This drop-in style program features instructors from the Niagara Regional Radio Control Model Club.

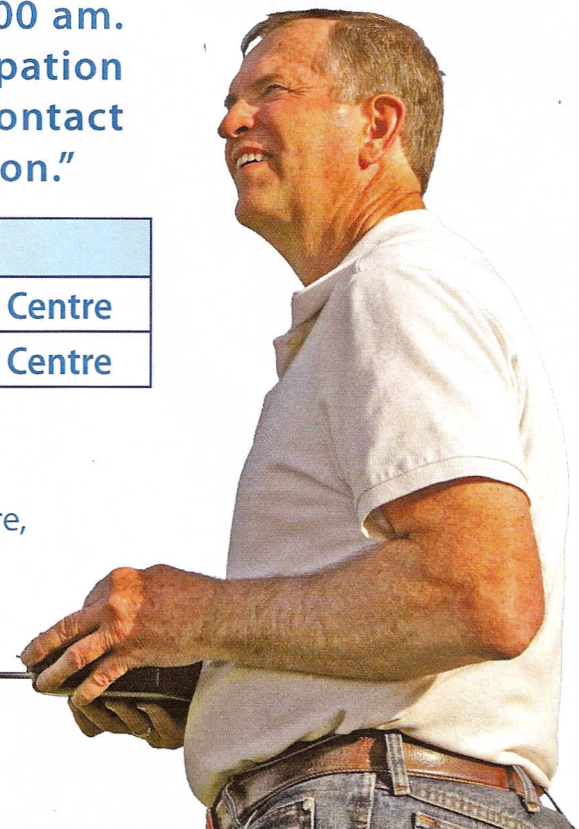

Join us Tuesday and Thursday mornings at 9:00 am. Older Adult Membership is required for participation in this program, but you can try us for free! Contact 905-688-5601 ext 1563 for program information."
